**MANUFACTURER OF COAL EQUIPMENT PERFORMS FINAL TESTING**

**Vancouver, B.C., September 13, 2006:** MPAC Industries Corporation (the "Company" or "MPAC") is pleased to announce that the testing of the equipment that has been manufactured for MPAC has now been successfully concluded at the manufacturer's plant. The manufacturer performed various tests on the equipment and all adjustments required resulting from this testing have now been completed. The equipment has been satisfactorily re-tested prior to its disassembling in preparation for Trans-Atlantic shipping.

The equipment will be containerized for shipment by rail to Montreal, Quebec in order to be loaded onto a container ship for transport to the Port in Istanbul, Turkey.
