MPAC PROVIDES THE SCHEDULE FOR THE PLANNED TESTING OF THE COAL PLANT

May 11, 2007: Vancouver, British Columbia – MPAC Industries Corp. ("MPAC" or the "Company") announces that it has revised the scheduling of the planned testing of the Coal Refining Plant (the "Plant") located at Tokat/Zile, which is now slated to be completed by about May 31, 2007, or soon thereafter.

This testing will be under the general supervision of the Turkish engineers and will be witnessed by one of the Directors of the Company.

This news release contains forward-looking statements, which are based on MPAC Industries' current internal expectations, estimates, projections, assumptions and beliefs, which may prove to be incorrect. The forward-looking statements are not guarantees of future performances and undue reliance should not be placed on them. Actual results may differ materially as a result of any number of factors and uncertainties, many of which factors are beyond the Company's control. MPAC Industries Corporation undertakes no obligation to revise any forward-looking statements except as required by applicable securities laws.
